

Sports Premium Funding

2013/14

Curriculum

We have a wide variation in activities for our children to advance their skills. Children from Year 2 to Year 6 receive a whole afternoon of activities each week ranging from one of the key activities listed below to games, fitness activities and multi skills. We strongly believe that by making the sessions fun will positively promote the idea of enhancing our children's fitness levels both now and in the future.

Dance

Gymnastics

Invasion Games

Net / Wall Games

Swimming

Athletics

Outdoor and Adventurous

Striking / Fielding

Clubs

We engage our pupils in a wide range of after school clubs across both KS1 and KS2.

KS1

Dance

Football

Tennis

Multi Skills

Badminton

Balance / Co-ordination / Movement

KS2

Football

Multi Skills

Multi Sports

Dance

Gardening

Boxing

Basketball

Cricket

Competitions and Other Activities

- Throughout the year we are involved in a variety of sporting competitions and festivals both through inter and intra competition. Outside of school hours children may take part in football and basketball tournaments competing against schools from across the Portsmouth area.
- In school we have our house teams where children are continuously competing against each other.
- We also allow time during the year for our Year 5 pupils to participate in Bikeability training.
- Links are maintained with Pompey in the Community enriching both curriculum and Physical Activity needs.

Racket Skills Festival

Multi Skills Festival

Tri Golf Festival

KS1 Football Festival

Year 3/4 Football tournament

Year 5/6 Girl's Football tournament and Cup

Year 5/6 Boy's Football tournaments and Cup

Year 5/6 Basketball league

Bikeability

Resources

At Arundel Court we are extremely lucky as an inner city school to have both a field and M.U.G.A. for our children to use. Alongside this we have trim trails, a climbing wall and a tarmac track around the field. These wonderful resources enhance our timetabled areas for lunch and break times ensuring that the children are active. The track around the field allows a year group daily to drive our fleet of go karts, a huge favourite among our children.

Sport Premium Funding

The Sports premium Funding has been used to increase more opportunities for physical development and activity within the school. This will contribute further to the wide range and high quality of PE provision at the school. Listed below are some of the additional areas we wish to develop over the next 18 months.

- ✓ Sports Partnership Membership already in place.
 - ✓ Purchase bicycles and helmets.
- ✓ Kidz Fit Competition days for young leaders and further intra competition.
- ✓ Dance packs and DVD's for modern dance ideas.
- ✓ Outside Gym walkers and Bikes to be installed on the playing field.
 - ✓ Small trampolines and indoor stationary bikes.
 - ✓ Visiting outdoor activity centres for Year 5 and 6.
 - ✓ Visiting outdoor gymnastic centres.
 - ✓ Staff training in dance and gymnastics.
