

Sport Premium Funding proposals for 2016 – 2017

Physical activity for our children is a vital step in encouraging them to lead a healthy lifestyle for their future. Our vision is to provide active opportunities for our children and furthermore include all in healthy competition. We aim to deliver a programme of activities to improve agility, balance, coordination and most importantly the knowledge of the benefits of regular and sustained physical activity throughout life.

Item	Objective	Cost	Impact
School Sports Partnership	Network of support for P.E. leader and training for staff. Specialist coaching. To allow our children to participate in festivals and healthy competitive sport beyond the school setting.	£2,000	Opportunities for children to increase participation in both festivals and competitions.
